

# Seminários Genet-Roussel

Palestrante: **Paulo A. F. da Veiga** (ICMC)

Data: **24 de agosto** (sexta-feira)

Horário: 14:00-15:00

## Quantum field theory in one hour

We give a fast review of quantum field theory and its hard to solve mathematical analytical problems. Some contact will be made between the mathematical issues and questions of physical nature.
